The above are all living history events and, as such, we are very strict on our appearance. No apologies if this sounds draconian but we get praise from everyone for the level of accuracy and uniformity in our presentation and we will always try and maintain this. For these events the emphasis is on uniformity – not in being ‘ally’.

For anyone wanting to participate in living history events as part of the RUR please ensure that your AFRA membership (or similar) is current.

Kit lists will be posted prior to the event. Email: royalunionrifles@yahoo.com
